

**Eastern Sierra Chapter Ridgecrest (ESCR)  
Question for Chapter Members  
and Potential Members**

The Chapter Board is aggressively trying new recruitment ideas this year.

The latest is quite significant. We are wanting to see if more riders would be able to attend our meetings if they weren't on the weekends.

The thought was to hold it on the first Thursday night of the month at 6 p.m. at Pizza Factory, where we could hold the meeting and engage in food once again. We would like to know if this change would make it easier for you to attend.

Please respond soon, for arrangements to be made with Pizza Factory. Looking forward to your response.
