

Ladies,

I wasn't sure who wanted to room with who, but I wanted to get the info out. There may be more going but this is the list I have so far. As the flyer states they do offer AAA, AARP and MIL discounts. Discounts are for one room only and they do not offer blocks of rooms under 10 so I was unable to get a block for us. I made my reservation in the Concierge area, it is an adult only area. There are suites and rooms with 2 Queens or 1 King. We can talk about it on Friday and/or Saturday. Peggy are you coming down to mtg?
