

Bikers Against Diabetes

SUPPORT OUR LOCAL STUDENTS IN RIP'S B.A.D. RIDE !

I am a teacher at Burroughs High School and have asked our students and staff to sponsor me in the B.A.D. RIDE on June 11. We have already raised over \$200 and the fundraiser doesn't officially kick-off until Monday, May 22.

Our Burroughs High School family is attempting to raise \$1000 by May 26!

I am asking for your help and have a little fun along the way. On MONDAY, MAY 22, AT 11:30 A.M., Burroughs High School will begin the fundraising kick-off with a bike parade and show on the quad during lunch. Will you please join me and my bike for this event? We will meet in the STAFF PARKING LOT BY 11:30 A.M., and line the bikes up in the quad before the students are dismissed for lunch. We would like for you to stay with your bike and talk with students and answer any questions they may have about your bike and riding (nothing formal). At approximately 12:25 we will start our bikes and a path will be cleared for us to ride through the BHS quad and out the student parking lot to destinations of your choice!

Judy Gerard, Teacher, Burroughs High School

I am proud that each mile I ride and every dollar we raise, will be used in the fight to prevent and cure diabetes and to improve the lives of all people affected by diabetes, especially my students, their families, and my friends.

Together, we can all make a difference! WITH YOUR HELP Burroughs can raise \$1000 for a cure!

REMEMBER: MONDAY, MAY 22, 11:30 A.M., BHS STAFF PARKING LOT. SEE YOU THERE!!!
