Dear Deborah,

It's time to get those engines started! The Southern Sierra Boys & Girls Club Annual Road Rally and Scavenger Hunt is BACK! Last year's event was so much fun! So...

Save the Date: **Saturday September 22, 2007.**

Last year we raised more than \$13,000. This year, our goal is to raise over \$25,000. We hope we can count on your support and participation in the IWV's best FUNraiser.

This past year, we have exploded with exciting new programs. We opened 3 new youth sites at local schools and expanded our teen program to target high school students. We now have over 350 youth attending the sites every day.

But, there is a growing need for a larger teen facility. Our Road Rally event will help us achieve that goal.

As a local organization, we are turning to you for support. Our Club members are the children of your friends and families. We hope you will consider being an Event Sponsor. Attached is a Sponsor Flyer, highlighting each sponsor package.

Thank you so much for helping us help our youth! If you have any questions, please feel free to contact me.

Thank you,
