

\$20 Registration Fee
Todd 218 @ gmail. com

I'm seeking your help in making my Rock N' Ride for Autism event become an annual fundraiser for a very good cause. I hope you will find it in your heart to help us out to raise as much money as we can to find a solution for Autism.

The affair is going to be a non-profit organization. This is the first annual event of its kind in this area. The fundraiser is being held on May 2, 2009 at the Lancaster Harley Davidson dealership. All proceeds will be split between a family resource center located in Palmdale, Ca. and the M.I.N.D. Research Institute in Davis, Ca. In addition, we would like to inform people in the valley about the resources that are available to them and get them involved with the community resources.

As of now, we have one band willing to volunteer their time to play with a potential of having two others to join the cause. The local Harley Davidson HOG Chapter will put together a poker run and bike show to help raise proceeds for this event. We will hopefully have some local Car Clubs that will be a part of this event as well. Even though we have some sponsorship through local businesses in the Antelope Valley we are still looking for additional donations for a raffle, additional beverage donations, and funds to support research for Autism.

In, conclusion the purpose of this event is promoting awareness of Autism and the services located in the Valley for families affected by Autism. Through sponsorship we hope that we will be able to continue this fight in assisting with further research. Anything that you would be willing to donate would be greatly appreciated.

Our non-profit tax number is 20-172-2403.

Sincerely,
Chad Bellay
