

ANTELOPE VALLEY
RIDGECREST CHAPTER 166501

LADIES OF HARLEY Silent Auction
13th April after monthly meeting.

LADIES OF HARLEY are looking for New or Barely Used items to auction off.

Suggestion: Baskets of goodies (wine, chocolates, lotions and potions, candles etc.), artwork, jewelry, crafts, Harley stuff (new, barely used items; chrome) – there is no wrong item... You may drop off your item at one of the Ladies of Harley homes or bring it the day off; just let us know what you will be bringing so we can prepare a bidding sheet with the item name. (There is a list of emails at the bottom of the flyer for Ladies of Harley who have offered up their homes to store your auction item; drop one an email to get address).

How the Auction works:

- ✎ All items will have a bidding sheet with a description of the item; bidders write their name and how much they want to bid on the item; the next person adds their name and increases the dollar amount – this continues until the bid time runs out; it gets really fun when several folks are determined to win...
- ✎ You can start bidding as soon as you arrive at Charlie's, bidding will continue through general meeting and for a short time after the meeting ends. Five items at a time will be shut down; for example we'll take items numbered 1 through 5 and pull the bidding sheets from the tables, 5 minutes after we'll shut the next set down and so on; meantime the war will continue on all those hot items still left

Remember to BRING LOTS OF CASH and have fun!
