

## **Official Eastern Sierra HOG Policy for Harley Davidson Trikes & Side Cars**

Harley Davidson (HD) trikes and sidecars are to be treated as any other HD motorcycle. In group riding, HD trikes and side cars can ride anywhere within the group they feel comfortable riding. If any one riding an HD motorcycle is inexperienced, new to group riding, or displaying unstable or unsafe riding habits, the road captain of the ride can have them ride just ahead of the sweep, or if too unsafe for the group, can ask them to leave the group.
